

Undersea Jewels G. Cobb and R. Willan **Taxonomic Updates Dec 2016**

NOTE: If authors and dates were changed they are presented below.

Inside front cover: *Chromodoris spendida* = *Goniobranchus splendidus*

Pg. 2

cover photo IDs at bottom:

Hypselodoris sp. 1 = *Hypselodoris jacksoni*

Pectenodoris trilineata = *Mexichromis trilineata*

Pg. 5

4th para: *Noumea haliclona* = *Verconia haliclona*

Pg. 9

top photo: *Glossodoris atomarginata* = *Doriprismatica atomarginata*

2nd photo: *Chromodoris splendida* = *Goniobranchus splendidus*

Pg. 10

top left photo: *Dermatobranchus* cf. *primus* = *Dermatobranchus oculus*

top right photo: *Chromodoris coi* = *Goniobranchus coi*

3rd right photo: *Trinchesia sibogae* = *Tenellia sibogae*

4th photo right: *Pectenodoris trilineata* = *Mexichromis trilineata*

Pg. 11

2nd para:

Pteraeolidia ianthina = *Pteraeolidia semperi*

Glossodoris averni = *Ardeadoris averni*

Glossodoris aff. *averni* = *Ardeadoris* aff. *averni*

Dermatobranchus cf. *fortunata* = *Dermatobranchus* cf. *fortunatus*

Dermatobranchus fortunata = *Dermatobranchus fortunatus*

Pg. 13

2nd para:

Glossodoris pullata = *Ardeadoris* sp. 1

Analogium amakusanum = *Gymnodoris amakusanum*

Trapania cf. *aurata* = *Trapania vitta*

Chromodoris aff. *africana* = *Chromodoris* sp. 2

C. albonares = *Goniobranchus albonares*

C. roboi = *Goniobranchus roboi*

G. dendrobranchia = *Doriprismatica dendrobranchia*

G. electra = *Ardeadoris electra*

Noumea haliclona = *Verconia haliclona*

N. romeri = *Verconia romeri*

Hoplodoris nodulosa = *Carminodoris nodulosa*

Phestilla minor = *Tenellia minor*

Trinchesia acinosa = *Tenellia acinosa*

Species from pg. 22 onward:

Aglajidae sp. 1 = *Philinopsis falciphallus*

Bulla angasi = *Bulla mabiliei* Locard, 1897

Micromelo undata = *Micromelo undatus*

Aplysia dactylomela = *Aplysia argus* Rüppell & Leuckart, 1830

Elysia australis = *Elysia coodgeensis* (Angus, 1864)

Elysia ornata = *Elysia marginata* (Pease, 1871)

Elysiella pusilla = *Elysia pusilla* (Bergh, 1872)

Vayssierea caledonica = *Vayssierea felis* (Collingwood, 1881)

Trapania cf. *aurata* = *Trapania vitta* Gosliner & Fahey, 2008

Analogium amakusanum = *Gymnodoris amakusanum* (Baba, 1996)

Pg. 93 In text *Glossodoris atromarginata* = *Doriprismatica atromarginata*

Ceratosoma magnificum = *Miamira magnifica* Eliot, 1910

Ceratosoma sinuatum = *Miamira sinuata* (van Hasselt, 1824)

Chromodoris aff. *africana* = *Chromodoris* sp. 2

Chromodoris albonares = *Goniobranchus albonares* (Rudman, 1990)

Chromodoris albopunctata = *Goniobranchus albopunctatus*

Chromodoris aureopurpureus = *Goniobranchus aureopurpureus* (Collingwood, 1881)

Chromodoris coi = *Goniobranchus coi*

Chromodoris collingwoodi = *Goniobranchus collingwoodi* (Rudman, 1987)

Chromodoris daphne = *Goniobranchus daphne*

Chromodoris decora = *Goniobranchus decorus*

Chromodoris geometrica = *Goniobranchus geometricus* (Risbec, 1928)

Chromodoris cf. *reticulatus* = *Goniobranchus reticulatus* (Quoy & Gaimard, 1832)

Chromodoris roboi = *Goniobranchus roboi* (Gosliner & Behrens, 1998)

Chromodoris rufomacultus = *Goniobranchus rufomaculatus* (Pease, 1871)

Chromodoris splendida = *Goniobranchus splendidus*

Chromodoris tinctorius = *Goniobranchus tinctorius*

Chromodoris verrieri = *Goniobranchus verrieri*

Chromodoris cf. *verrieri* = *Verconia decussata* (Risbec, 1928)

Glossodoris atromarginata = *Doriprismatica atromarginata*

Glossodoris averni = *Ardeadoris averni* (Rudman, 1985)

Glossodoris aff. *averni* = *Ardeadoris* sp. 2

Glossodoris carlsoni = *Ardeadoris carlsoni* (Rudman, 1986)

Glossodoris dendrobranchia = *Doriprismatica dendrobranchia* (Rudman, 1990)

Glossodoris electra = *Ardeadoris electra* (Rudman, 1990)

Ardeadoris pullata = *Ardeadoris* sp. 1

Glossodoris rubroannulata = *Ardeadoris rubroannulata* (Rudman, 1986)

Hypselodoris emmae = *Hypselodoris emma*

Hypselodoris cf. *purpureomaculata* = *Thorunna* sp. 1

Hypselodoris sp. 1 = *Hypselodoris jacksoni* Wilson & Willan, 2007

Noumea alboannulata = *Verconia alboannulata* (Rudman, 1986) **bottom photo caption:**

Animal with series of dashes we are now calling *Verconia* sp.

Noumea crocea = *Diversidoris crocea* (Rudman, 1986)

Noumea flava = *Diversidoris flava*

Noumea haliclona = *Verconia haliclona*

Noumea laboutei = *Verconia laboutei* (Rudman, 1986)
Noumea norba = *Verconia norba* (Ev. & Er. Marcus, 1970)
Noumea romeri = *Verconia romeri* (Risbec, 1928)
Noumea simplex = *Verconia simplex*
Pectenodoris trilineata = *Mexichromis trilineata*
Risbecia godeffroyana = *Hypselodoris godeffroyana*
Risbecia tryoni = *Hypselodoris tryoni*
Doriopsis pectin = *Doris pectin* **bottom photo caption:** Green animal *Doris viridis* (above),
Egg mass (below)

Hoplodoris nodulosa = *Carminodoris nodulosa*
Discodoris fragilis = *Sebadoris fragilis*
Discodoris palma = *Discodoris lilacina* (Gould, 1852)
Jorunna sp. 2 = *Jorunna ramicola* Miller, 1996
Dermatobranchus cf. *fortunata* = *Dermatobranchus* cf. *fortunatus*
Dermatobranchus sp. 1 = *Dermatobranchus oculus* Gosliner & Fahey, 2011
Dermatobranchus sp. 2 = *Dermatobranchus rodmani* Gosliner & Fahey, 2011
Dermatobranchus sp. 3 = *Dermatobranchus tuberculatus* Gosliner & Fahey, 2011
Tritoniopsis alba = *Tritoniopsis elegans* (Audouin, 1826)
Doto sp. 1 = *Kabeiro* sp. 1

Species from pgs. 258-267 Family Tergipedidae = Fionidae

Phestilla melanobrachia = *Tenellia melanobrachia* (Bergh, 1874)
Phestilla minor = *Tenellia minor* (Rudman, 1981)
Phestilla sp. 1 = *Tenellia* sp. 1
Trinchesia acinosa = *Tenellia acinosa*
Trinchesia ornata = *Tenellia* sp. 3
Trinchesia sibogae = *Tenellia sibogae*
Trinchesia yamasui = *Tenellia* sp. 4
Trinchesia sp. 1 = *Tenellia* sp. 1
Trinchesia sp. 2 = *Tenellia* sp. 2
Aeolidiella alba = *Bulbaeolidia alba* (Risbec, 1928)
Anteaeolidiella indica = *Anteaeolidiella cacaotica* (Stimpson, 1855)
Protaeolidiella juliae = *Pleurolidia juliae* Burn, 1966
Phidiana bourailli = *Facelina bourailli*
Phidiana indica = *Caloria indica*
Phyllodesmium sp. 3 = *Phyllodesmium koehleri* Burghardt, Schroedl & Wagele, 2008
Pteraeolidia ianthina = *Pteraeolidia semperi* (Bergh, 1870)
Glaucus marginatus = *Glaucus bennettiae* Churchill, Valdés & Foighil, 2014 **bottom photo
caption:** *Glaucus marginatus* = *Glaucus bennettiae*
